#### **Attendance**

Attendance and punctuality are important because of their direct relationship to academic progress and developing responsibility in students. According to state law, the parent/guardian/caregiver is legally responsible for punctual and regular attendance of their child/children. Further, it has authorized penalties which may be assessed against the parent/guardian/caregiver for failure to do so. Failure to attend will mean that the school authorities will refer the parents/guardians/caregivers and students to the School Attendance Review Board if necessary.

Students are expected to be in school except when they are ill or have a doctor or dental appointment. Roll is taken in the first period class and phone calls for unexcused absences are made by 9:00 a.m. No student may have his or her grade reduced or lose academic credit for any absence or absences which are excused. Students with excused absences shall be allowed to complete all assignments and tests during the absence that can reasonably be provided and, upon satisfactory completion within a reasonable period of time, shall be given credit. Please follow the procedures below if your student is absent from school:

- A parent/guardian should call the school before 9:00 a.m. on the day of the absence. A notification stating the reason for the absence is required. Babysitting, going shopping, oversleeping, didn't feel like going, nothing to wear, etc. are unexcused absences. The attendance secretary will give the student an admittance slip to get back into class when the student returns to school. Students who have excessive medical absences shall be required to bring a doctor's note for all absences, or those not approved by the administration prior to the absence. Causes for a required doctor's note may include patterns of absences, more than 3 consecutive days, 10 days cumulative, etc.
- The California State Education Code 48260 defines a truant as: "Any pupil subject to compulsory full-time education or compulsory education who is absent from school without valid excuse more than three days or tardy in excess of 30 minutes on each of more than three days in one school year." We are required to report excessive absences to the School Attendance Review Board for investigation, hearing and possible referral to Juvenile Court for appropriate legal action.
- When returning to school after an absence, an admit slip will be issued. If a student must leave campus during the school day the parent/guardian must come in to the office and sign the student out.

### **Tardiness**

Tardies affect continuity of instruction and academic success of students; therefore, all students are expected to be on time to all classes. Punctuality is a measure of responsibility and it is deemed important that all students learn the value of punctuality. Students are considered to be tardy if they are not in their assigned seat prepared to work when the bell rings. Justification for tardiness is very limited. Tardies will be excused only for health reasons, family emergencies, and justifiable personal reasons, as permitted by the school's principal. Habitual tardiness will result in parent notification and administrative disciplinary action. Every three unexcused tardies will result in disciplinary action.

### **Dental and Doctor Appointments**

Please notify the office and the teacher regarding dental and doctor appointments. At the time of the appointment the parent/guardian **MUST** come into the office and sign the student out. A parental note to be excused for an appointment should include the time and date of the appointment. When dental/doctor appointments take place in the morning before a student arrives at school, a handwritten note from the parent/guardian is required upon arrival in order to obtain an excused readmit slip to class. Students are responsible for making up work that is missed.

**Please ask the doctor or dentist for written verification of your child's office visits. They will gladly comply and we do appreciate the documentation.**

### ***Excused Absence for Personal Reasons***

Absences for reasons other than those listed above may be excused for a justifiable personal reason. **This requires that the parent/guardian provide a written request 5 days in advance to the site Principal for review.** The site Principal must approve the absence in

advance for the absence to be considered "excused." The personal reasons must meet these requirements:

- The personal reason is of an emergency nature and cannot be performed during hours of non-school attendance.
- May not exceed 5 days in any one school year.
- May not be taken in conjunction with Thanksgiving, Winter, Spring or Summer break.
- Student must be currently performing at or above grade level on school work. A 2.0 average or not deficient in units for grades 6-12.
- Good attendance, meaning the student does not have more than a total of 10 days of absences of any type (excused, unexcused, late). Of the 10 days of absence, the student cannot have more than 3 unexcused absences. Please note that if your child is marked late (late is defined as missing 30 or more minutes of school), it counts as an unexcused absence.
- If the request is made prior to October the student's attendance rate for the previous year must have been 95%.
  - Per Eighth Grade Promotion requirements an eighth grade student must attend 85% of the school year in order to participate in the promotion ceremony and end of year activities.

The student and parent(s)/guardian(s) are responsible for all work missed. The student and parent(s)/guardian(s) shall request assignments for the time period to be missed at least 5 days in advance

### **Playground Expectations**

- Playground balls are not to be kicked on the blacktop area with the exception of a teacher or noon duty supervisor supervising the game. Balls should not be kicked or thrown upon the school roof or out of school grounds.
- Personal recreation equipment is to be left at home.
- Equipment used on the playground is school property and should remain on campus.
- To prevent injury, students are not to chase one another on the blacktop.
- During recess students are not allowed in classrooms unless they are supervised by a teacher or school staff member.

- Students will report promptly to their classrooms when directed to after the bell rings.

### **Infractions**

Using the above list of responsibilities, we are trying to make the students more responsible for their own behavior and the consequences of that behavior. Students need to learn at an early age how to make responsible decisions. They need practice now while the consequences of their decisions are not too critical. All too soon, the decisions they face will become increasingly important. Our students will often be asked to come up with a plan of their own as to how they will handle a difficulty that they are involved in. The staff will offer suggestions, but the student will make the major part of the decision.

There will often be times when a problem is more serious in nature than the student can be expected to handle. At this point, the principal and/or teacher will make the decision as to the appropriate consequences for the action. These consequences may include, but will not be limited to:

- Loss of classroom or school-wide activities or privileges
- Suspension from recess/lunch detention
- Use of a student contract for classroom, playground and/or cafeteria behavior
- In-House School suspension (OCA) On Campus Alternative
- Partial day schedule
- Required parent attendance
- Referral to a student study team

### **Dress Code/Appearance Standards**

The purpose of the Live Oak Unified School District Dress Code is to ensure student safety and prevent classroom disruptions, and to establish an image/atmosphere that is appropriate and conducive to learning. Live Oak Unified School District board policy 5132 states students must clothe themselves in a manner that is acceptable to community standards as determined by school administration. The dress code is enforced at all school-sponsored activities unless advised otherwise. **If you are in doubt about the appropriateness of what you are wearing, do not wear it to school.** Students arriving at school with inappropriate dress will

be sent to the office to either wear a garment from donated clothing or call/return home to be provided with appropriate dress.

**Appropriate School Dress:**

- Blankets are not to be worn at school.

**Pants and Shorts:**

- Pants must be worn at the waist and must remain at the waist. Undergarments must be covered at all times. Pants may not drag on the ground to the point that a student may trip on them.
- Pants, shorts, and skirts with holes and/or rips above the "fingertip" length when arms are fully extended are not permitted, unless a legging is worn beneath that does not expose skin (nylons or fish-net stockings don't meet this requirement).
- Shorts, skirts, and dresses should be modest and cover all undergarments (they should provide sufficient modesty when the student bends over). We use the guide of "fingertip" length. Please consider PE activities when you dress in the morning.
- Pajama bottoms or "PJ's" are not allowed at school (only permitted on designated school dress up days).

**Shirts:**

- All shirts or blouses must have two straps at least 1" at the width and cover undergarments completely.

- Bandanas are not to be worn.

#### **Bags and Backpacks:**

- Bags, backpacks, etc. with the intent to be smell proof/odorless as indicated by the manufacturer are prohibited, this includes but is not limited to *Cookies* brand bags.

### **GANG CLOTHING ON CAMPUS**

To ensure the safety of our students from gang violence, it is important that students not wear clothing, jewelry, and/or accessories, which, by virtue of their color, arrangement, trademarks, or any other attribute, denotes membership in and/or affiliation with any gang. Students wearing this clothing, jewelry, and/or accessories (hairnets, scarves, red or blue shoe laces, red or blue solid belts, etc.) with the exception of school-related clothing are not allowed at school. They may not wear or write gang affiliated trademarks, anti-social messages or logos that include, but are not limited to: XIII, 13, XIV, 14, North, Norte, Sur, Sureno, Norteno, Brown Power/Pride, Nazi symbols, White Power/Pride, Asian Power/Pride, all one color, N, S, Nebraska, Los Angeles, homies, happy/sad/joker/clown/etc. Students identifying with a gang will be restricted from wearing any identifying clothing/symbols/colors for the remainder of the year. Clothing must be worn as intended to be worn. Students violating this policy will receive further dress code restriction and discipline.

Students dressing as though they are identifying with a gang will be referred to the office. The following will occur:

- a. Any student who is involved with known gang activity/alignment will not be allowed to wear colors aligned with that gang for the remainder of the year. Violation will result in suspension/expulsion.
- b. Students dressing as though they are aligning with a gang will:
  - 1. Have a conference with the administration.
  - 2. Have their parent contacted.
  - 3. Have their backpack, etc., searched to see if any gang affiliated trademarks, anti-social messages or logos are present to validate concern. If gang alignment is validated then item A listed above will be enforced.
  - 4. Be asked to mix up the color of their clothing, and to wear that color no more than one time/week.
- c. Who are initially referred and then defy item B4 will again be referred. These students are then identified by the administration as aligning with a gang and then item a. listed above will be enforced.

### **Graffiti**

Graffiti, tagging, or other marks made on school or private property is strictly prohibited. Encinal Elementary School **will not tolerate** graffiti. Violators are subject to administrative disciplinary action that may include a recommendation for expulsion, as well as possible criminal charges. Parent(s)/guardian(s) and the student will be charged for any costs related to the repair and/or cleanup of any damage caused by their child.

### **Textbook Policy**

Students will be issued numbered textbooks at the beginning of the year. It is the student's responsibility to put a book cover on the books and to keep them in good condition. New textbooks cost a minimum of \$60.00 each. There may be fines given for books written in or damaged. You may be charged for the full replacement cost for books that are lost or otherwise damaged to the extent that they may not be reused.

### **Fines**

Students are expected to take care of the textbooks, library books, and equipment assigned to them. Your student's teacher will check textbooks when turned in to determine if any fines are necessary for book loss or damage. Equipment which is damaged, lost, or stolen must be paid in full or replaced and you will receive a fine slip.

### **Student Searches**

School officials may search any individual student, his/her property, or district property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the district or the school. In an effort to keep the school free of dangerous contraband, specially trained,

nonaggressive dogs can be used to sniff out and alert staff to the presence of substances prohibited by law or Board policy.

### **Public Display of Affection**

PDA or Public Display of Affection is not allowed at Encinal School. This could be hugging, kissing, hand holding, or touching inappropriately. This type of behavior is not acceptable and may contribute to a hostile environment.

### **Toys/Electronic Devices**

It is advised that electronic devices be turned off while on campus. It is recommended that students not bring electronic devices to school. This includes: laser pointers, iPod's, tablets, Gameboys, etc. These items only help to distract students from the learning environment and are not appropriate. If an electronic device causes a disruption in class, a school employee shall direct the student to turn off the device and/or shall confiscate it and turn it off. Toys and other items that distract students will be dealt with on a classroom to classroom basis. **Cell phones are permitted but must be powered off and put away BEFORE students enter the school gates and remain off during school hours.** Due to privacy concerns, students are not permitted to take photos and/or videos with their phones/cameras while at school or at a school activity. Encinal School acknowledges the importance of electronic communication between students and parents. If parents need to contact a student during the school day, they are requested to contact the school office for assistance. If students need to use a phone during the school day, they must use a school phone, which is available to students with appropriate permission. Further, Encinal School recognizes that instructional time is precious and must be protected from unnecessary disruption. Students not following the cell phone policy will need to deliver their phone to the office and parents will be notified for pick-up. In permitting student possession of such devices, the school assumes no liability for the loss, damage, confiscation or its misuse by another person.

If a student brings an item to school that is inappropriate, the item will be placed in the office. Repeated offenses could result in disciplinary actions.

Trading of items by students is not permitted. If students want to participate in this kind of activity, they must do so off school grounds.

### **Prescription Medication**

All medication (including inhalers and aspirin) that you want your child to take at school **MUST** be in the original container with your child's name on the label and kept in the main office in accordance with California State Requirements. You **MUST** also have your doctor fill out a form authorizing school personnel to administer the medication. Please contact the school office for these forms. Medication cannot be administered without the completion of these forms by the doctor and the school office.

We cannot give Tylenol or any other over-the-counter medication. If you want your student to take any type of medication at school, you must come to the school and administer it yourself.

### **Lunchtime Detention**

At Encinal, students have many opportunities to make the correct choices pertaining to their behavior. Students who consistently choose to behave inappropriately will be assigned lunchtime detention. Lunchtime detention is designed to teach the students the relationship between choices, consequences, and to encourage positive choices and good decision-making. Lunchtime detention will also be assigned to students who need to make-up missed work.

If you would like to make alternative arrangements for your child's transportation to or from a field trip, a written note to the office specifying what arrangements you have made in advance is required. Students who have permission to leave from a field trip with a parent are required to check out with the staff member in charge before leaving. If a field trip is longer than your child's normal school day, please inform the office of your plan for transportation of your child (i.e. kindergarten students and all day field trips). We appreciate this consideration to alert all staff members. All volunteer drivers must be pre-approved on the "Pull Program". If you plan to drive for a field trip, please see the office to be approved for the "Pull Program".

### **Lost and Found**

Many items of clothing and other belongings are lost and go unclaimed each year. Please label your student's coats, sweaters, lunch pails, etc. with first and last names and a phone number if space is available. If you find that your child is missing something, have them check in the lost and found. Items that are not claimed at the end of each trimester will be taken to the Salvation Army or other charity.

### **Counseling Services**

A counselor is available to assist students with academic, personal, or social issues. Counseling may be individual, in groups, with parents, or with teachers. Students may also stop by the office to request a meeting with the counselor. Parents can reach the counselor by calling 695-5458. Trust is an important part of the counselor-student relationship. Nothing that is discussed will be told to anyone else except in certain situations when law requires it. The counselor will review those situations with students. The school counselor is permitted to see a student one time, on an individual basis, without parent consent when a crisis situation or conflict resolution is required. A counseling consent form for services may be requested in the school office.

### **Special Occasion Deliveries**

Deliveries are accepted at the front office; however, students may only pick up items after 2:40 p.m. Balloons are not allowed on buses. The school is not liable for any lost, confiscated or items not picked up from the front office.

### **ATHLETIC ELIGIBILITY REQUIREMENTS**

School Board Policy (BP 5012.6.1) regarding Extra-curricular/Co-curricular Participation Requirements requires that all students, in order to be eligible for participation, must have a 2.0 GPA. If a student should be declared ineligible at any grading period for participation in extra-curricular/co-curricular activities, he/she may be placed on academic probation for four weeks. During this period, the student may continue to participate in the games/activities.

- If a 2.0 GPA is not achieved by the end of the four-week probationary period, the student may not continue to participate in these activities until he/she becomes eligible by the next grading period.
- Should grades meet the established requirements of a 2.0 GPA by the end of the four-week probationary period, the student will then be eligible for the remainder of the grading period.

Students will be allowed one (1) probationary period in 7/8th grade. Probation cannot be banked to use later. Students who wish to apply for probation need to see the Principal for application procedures. The following procedures will be used to monitor eligibility:

- The Principal will monitor the grades of all students participating in those extracurricular/co-curricular activities indicated.
- The Principal shall notify the coach of student ineligibility.
- The Principal will notify parent/guardian of ineligibility.

Fire drills and other safety drills are conducted throughout the year. Practice helps us to be ready in the event of a real emergency. It is important to follow safety procedures.

- The fire alarm is an intermittent siren. All personnel are required to follow evacuation procedures, as outlined in the LOUSD Emergency Preparedness guidelines.
- Intruder Alerts are a high-pitched continuous siren (sounding similar to an air-raid or tornado siren). All personnel and students are to follow intruder alert procedures, as outlined in the LOUSD Emergency Preparedness guidelines.
- Earthquake drills are conducted with a verbal announcement and duck and cover procedures are implemented until further directions are given.

# DISCIPLINE AND INTERVENTION HANDBOOK

The Live Oak Unified School District is committed to teaching, modeling and enforcing high standards of conduct and will assign consequences for misbehavior in order to ensure that schools are safe, healthy learning environments for all students.

Schools are mandated to uphold federal and state law, Board of Education rules and codes, and the policies of the District that apply to students:

- (1) While on school grounds;
- (2) While going to or coming from school;
- (3) During the lunch period on or off the campus; and
- (4) During, or while going to or coming from a school sponsored activity.

Education Code 48900 (s)

The following charts indicate the types of disciplinary action that may apply to each type of misbehavior infraction. In each instance, an opportunity to teach appropriate behavior through the use of intervention and a corrective action is stated. **Each situation or violation involving student conduct should be individualized and the least punitive action based on the violation should be taken. The administrator shall, however, determine whether a specific infraction warrants the corrective action described on the chart.** Corrective action taken by the administrator shall take place after progressive discipline interventions by the school fail to bring about proper conduct or the specific infraction is sufficiently severe to warrant a more severe consequence. These corrective measures are intended to assist in teaching appropriateness and responsibility, while maintaining consistent student discipline on campus.
